

Supplemental Information for 377-000 or 109637 Fuel Pump, Mechanical, w/ Priming Lever TR 2, 3, 4 & 4A

This is an excellent reproduction of the original pump fitted to these vehicles. It includes the priming lever, which was not available on the replacement pumps sold by Moss and other specialists.

Pump comes with the 293-415 (139041) gasket that goes between the pump and the block. There is no spacer block between the pump and the block.
