

Return Procedures

Warranty - All products are warranted against defects in material and workmanship by the original equipment manufacturer, or Moss Motors, Ltd. See your specific catalog policy page for the warranty period. We will replace the product or refund your purchase price at our discretion. The warranty does not cover labor, failure of a related component, failure resulting from faulty installation, nor would the liability of Moss Motors, Ltd., exceed the cost of the original component. Warranty related claims must be submitted using this form.

Returns - You may return new and uninstalled products in resalable condition for a full refund, excluding shipping and handling charges, for up to 6 months from date of invoice. Returns over 6 months old, but less than 12 months will be charged a 10% restocking fee to cover processing costs, and refunds will be given as an in-house credit. We reserve the right to charge up a 20% restocking fee when no invoice is supplied and/or there is substantial work involved to process your return. Items over 12 months old are not returnable. Please remember to always inspect the parts upon receipt of your order to avoid any difficulties later on. Make sure to package the products carefully to avoid damage during return shipping. Please include all original packaging and a copy of the invoice. Refunds will not be issued for installed, damaged, incomplete, "Custom" or "Special Order" items. If a return is due to our error, we will reimburse reasonable freight charges. We will not reimburse additional charges for shipping/packaging services. Electrical items that have been installed are not returnable.

Sheetmetal - Check the fit of sheetmetal before you paint. Painted sheetmetal is not returnable.

Shipping Errors - Shortages or incorrect shipments must be reported within 10 days by calling our customer service line listed below.

Core Returns - If you have a core charge on your invoice, it will be refunded to you upon receipt of a rebuildable core. Cores must be shipped clean and empty of fluids. You must pay all shipping charges for the return of a core. Cores are returned by completing this form.

Shipping Damage - If your shipment has been damaged you must report it to the carrier. If you require assistance, call our customer service line listed below.
